1ª CLASSIFICATA TRA LE SCUOLE VELA FIV 2020)21)24

The Cagliari Windsurfing Club, affiliated since 1982 with the Italian Sailing Federation and duly registered in the Regional Register of Amateur Sports Associations of the Autonomous Region of Sardinia, has as its purpose the development and dissemination of sports activities related to the discipline of sailing and wind-powered sports.

The Association has about six hundred members, in addition to the Club's frequent visitors, who throughout the year are active - in particular - in the categories of windsurfing, wingfoil and multihulls.

The Sailing Club is now a point of reference, in the sporting and sailing scene, both in Sardinia and nationally and internationally. Numerous international champions regularly hold their training sessions in the waters of Marina Piccola and have made the Club their base.

Many titles have been won by its athletes in Italian and international windsurfing and catamaran competitions. An important role is played, finally, by the Sailing School recognised and rewarded as first among the Italy FIV sailing schools in 2020, 2021, 2024 and third in 2023.
